

**CHINA AID**

**Degree Education Programs Sponsored by Ministry of Commerce PRC**

---

**Nankai University**

**Master of Businesses Administration**

March, 2018

## **I. Program Description**

### **1. General Information**

#### **(1) Program Introduction**

The academic education program sponsored by Ministry of Commerce People's Republic of China is designed to foster high-end business officials and managerial personnel for the recipient countries, offering one-year and two-year master programs as well as three-year doctoral programs for the purpose of educating high-end and inter-disciplinary talent working in the applied fields of government, trade, foreign affairs, agriculture, technology, education, culture and health, building intellectual capacity and facilitating the economic and social development of the recipient countries. These programs provide assistance to governmental officials, research fellows, technical experts and senior managerial personnel on their master and doctor education in China, which are fully conducted in English.

Starting from 2008, 2678 students from developing countries have attended these programs, until now, except for those who are in the middle of their studies, 1088 of them have graduated and obtained master degrees. These graduates are now working in their specialties back in home and undertaking an increasingly significant role in the economic development cooperation between China and their home countries. As for the positive effects and good results brought by these programs in strengthening economic ties and

friendship between China and the recipient countries, the Ministry of Commerce of People's Republic of China will continuously intensify its efforts in enlarging the enrollment scale and improving the quality of education.

Since 2016, Nankai University is approved by the Ministry of Commerce, to undertake the Master of Business Administration Program (2- year master program). Admission requirements include bachelor degree, relevant working experiences, and decent physical conditions, essential for the high-compact curriculum needed for the degrees. We believe that by attending the programs and achieving the degrees, you will embrace a successful career and brighter future.

## **(2) Prospective Students**

Our prospective students are mid-to-senior level officials or technical managers from the government, universities, research institutions and other public sectors, who meet the academic required by Nankai University, and good mastery of English language.

## **(3) Program Objective**

Cultivate high-end, compound, applicative talents in the field of economic and management.

#### **(4) Enrollment Plan**

<b>Program</b>	<b>Enrollment Plan</b>	<b>Language</b>	<b>Educational system</b>
Master of Business Administration	20	English	2 years

#### **(5) Financial Aid**

The Chinese Ministry of Commerce will provide funds from foreign aid to sponsor students from developing countries. The fund covers academic, administrative fees as well as basic living expenses of each student. The academic fees include tuition, fees of teaching materials, fees of research and internship, thesis instruction fees etc. Living expenses include accommodation fee, stipend, one-time settlement allowance, insurance fee etc. Besides, the one-time settlement allowance of 3000RMB/person will be paid to students directly. In terms of living expenses, it is 36000RMB/year per person for the master program, and will be distributed to students gradually by the undertaking university. The rest expenses should be managed by the Chinese Ministry of Commerce or the undertaking university rather than granting to students.

## **2. University Information**

### **(1) Introduction to Nankai University**

A key multidisciplinary and research-oriented university directly under the jurisdiction of the Ministry of Education, Nankai University, locates in Tianjin on the coast of Bohai, near China's capital Beijing, was

founded in 1919, and it is one of the most famous universities in china. Nankai University is one of the comprehensive universities with the widest range of disciplines. It features a balance between the humanities and the sciences, a solid foundation and a combination of application and creativity. The university has disciplines such as literature, history, philosophy, economics, management, law, science, engineering, agriculture, medicine, teaching and art.

Nankai University has developed broad international communications by establishing exchange and collaborative relationships with more than 320 international universities and academic institutions. Nankai University will implement the “Global Nankai” strategy. In the need of State Aid Education, Nankai University relying on its education resources and advantages, combined with computer and software disciplines, is committed to the training of specialists in the field of Computer and Software, thus undertake this program.

## **(2) Introduction to Nankai University Business School**

Nankai Business School, originally founded in 1929, is one of the oldest schools of Nankai University. The mission of the school at that time was to educate management professionals for business community and to assist China to get prosperous. The school has always committed to educating students to improve themselves and inspiring them by Nankai's motto:

dedication to public interests, acquisition of all-round capability, and aspiration for progress with each passing day.

Nankai Business School is a member of Association of Asia-Pacific Business Schools (AAPBS) and earned AACSB and AMBA accreditation, showing a growing international profile in business administration education.

Nankai Business School takes pride in and gains strength from its well-designed programs, highly qualified teaching and research staffs, and efficient administration. It is widely recognized as one of the most vigorous and promising business schools in China.

### **(3) Living Conditions on Campus**

This program is based in Balitai Campus of Nankai University, with flourishing community and complete supporting facilities. Life is convenient with all kinds of financial institutions, hospitals, catering and leisure facility inside the campus.

Single studio room with independent bathroom is provided for each International student. It also equips with TV, air conditioner and furniture. Catering students with different nationalities and various dietary habits, we provide delicious buffet for International students.

The campus is equipped with badminton court, tennis court and gymnasium; modern library and public library surround the campus. Besides, cable network and wireless network service is provided.
