
The Master of Finance (MF) program

The Master of Finance (MF) program has been the flagship program at SAIF since it first matriculated students in 2009. **In 2017**, the SAIF MF program made a strong debut in the Financial Times' annual ranking of the best MF programs in the world, ranking **1st in Asia and 14th in the world**. In terms of Salary Increase and Value for Money, SAIF MF program ranked **1st in Asia**. SAIF MF distinguishes itself in the following rankings: "Employment at Three Months" (No.1 in the world), "Faculty with Doctorates" (No.1 in the world), "Salary Increase" (No.5 in the world), "Salary Today" (No.7 in the world), "Value for Money" (No.7 in the world), "Career Progression" (No.1 in Asia), and "International Course Experience" (No.1 in Asia). Currently, SAIF MF stands as one of the most prestigious finance programs in Asia. SAIF MF is an all-English program with a rigorous curriculum combining in-depth study of quantitative techniques with pragmatic, hands-on business problem solving. Offering a world-renowned faculty and an internationally diversified class profile, SAIF equips students with the creative thinking and global perspective required to address market challenges in both developed and emerging economies. In addition, the comprehensive practice course (SAIF LIVE Learning center) is set up and the rich Extended Learning and Student Activity (ELSA) is arranged for students.

SAIF MF's mission is to "Power the Future of Finance" through developing future finance leaders. It provides a unique curriculum to teach students to be articulate, sociable and kind. It also instils students with utmost discipline, deep financial expertise and strong integrity. With a full-range training, SAIF MF aims at being the most distinguished program for top talents in Asia.
